Priority and Economy letters in Finland and abroad

Payment indications must always be imprinted or otherwise printed out in blue (Priority), green (Economy) or black-and-white, as shown below. A customer code (6 characters) is always included in payment indications, on the basis of which the mailing list for invoicing must be made.

Recommended size:

- For C and E series envelopes 24 mm x 37.5 mm
- Minimum width 20 mm
- The aspect ratios of the indications must not be changed

The colors to be used are:

- Posti blue: C:90 M:48 Y:0 K:0
- Posti green: C:80 M:0 Y:98 K:0
- Black: K:100
- White

Priority and Economy letter indications in text format on the item

- The indication can be imprinted or printed out in text format using Arial, for example, as a text font.
- No handwritten indication is acceptable. Also, it is not allowed to use a pressure stamp.
- The indication should be typed on four lines. The minimum font size for the indication is 12 pts.
- Any color used in the indication is acceptable, provided that it is distinct from the item cover and easily readable.

Priority	Economy
Priority PP Finlande Posti Oy 000000 Posti Green	Economy PP Finlande Posti Oy 000000 Posti Green
Priority PP Finlande Posti Ab 000000 Posti Green	Economy PP Finlande Posti Ab 000000 Posti Green
Priority PP Finlande Posti Ltd 000000 Posti Green	Economy PP Finlande Posti Ltd 000000 Posti Green

Priority and Economy indication in text format on a window envelope or self-adhesive address label

- The indication must be printed above the address information on the window envelope or self-adhesive address label, so that it is easily readable and distinct from addressee information.
- The minimum font size for the payment indication is 12 pts.
- The indication should be typed on one line, e.g.

Sending valuable items in Finland

- When paying with the Port Payé method, the payment indication for valuable items is used either with an address label or an item without an address label, clearly indicating the selected service (Registered letter / Letter with advice of delivery / Insured item)
- The payment indication must be recorded in the address label or the top of the shipment
- Instructions for address labels are available on the home page of the services
- See the recommended colors under the Economy letter

You can also use the Economy indication for valuable items within Finland

International delivery of valuable items

Registered Letter and Letter with Advice of Delivery

- When paying with the Port Payé method, the payment indication for valuable items is used in the address label
- The payment indication must be recorded in the address label or the top of the shipment
- Instructions for address labels are available on the home page of the services
- See recommended colors under Priority letter

You can also use the Priority letter indication for sending valuable items abroad

Payment indications in text format for Valuable items

- Instead of payment indications with images, it is possible to have the payment indication in text format on the top of the item when paying with the Port Payé method.
- The address label or the envelope must indicate the name of the service (Registered letter / Letter with advice of delivery / Insured item)
