Activation of Posti SmartShip integration

v.1.0

Activation of Posti SmartShip integration for Posti's contract customers after October 3, 2016.

These instructions show how Posti's contract customer can activate the opening of the integration after the deployment of Posti SmartShip. Please note that by ordering the integration, you accept Unifaun's terms of use and activate the invoicing of the use of the integration. The usage fee is EUR 20/month.

Log in to the Posti SmartShip system via Posti Service Portal at <http://www.posti.fi/business/service-portal/>
