How to make an order

Magazine Pro
Economy Publication

1. Start by selecting the customer number and publication. Check the other information and update if needed. Give the order a unique name of your choosing.

Service subscriber information

1. Choose customer number and magazine* ⓘ

886865 - Testi Lehti ▾

2. Order name* ⓘ

Testi Lehti

3. Choose subscription period* ⓘ

2021 ▾

4. Invoicing address* ⓘ

133909 Posti Sales and Customer Mgt ▾

2. Choose how you want to fill in the information.

Fill in the magazine properties yourself
 Use the magazine properties from the previous order

Make a new order →

Fill in the magazine properties yourself
 Use the magazine properties from the previous order

Check the magazine properties →

3. If you choose to Fill in the magazine properties yourself, click *Make a new order*.

If you choose to Use the magazine properties from the previous order, click *Check the magazine properties*.

4. When using the magazine properties, an overlay will open with the prefilled information. Check all the information and update if needed. Save the properties for future orders and then continue by clicking *Plan a new order*.

Save properties for next order **Plan a new order** →

5. If you chose to fill in the information yourself this page will be empty. Fill in all the required information.

If you chose to use the magazine properties, this page will be prefilled. Check the information and update if needed.

6. Available services will be listed on the right-hand side of the page. If you change the magazine properties, the list will be updated accordingly. Choose a service.

Available services

Estimated total costs of the order The final price with possible discounts will be in the invoice **31,116.3 €**

18.

All batches are shown here in chronological order.

Go through and check all the information. Edit if needed.

Under the list you can find all details of the order by sections. Select *All* if you want to see the details and edit all batches.

Add customer and mailer contact information, if they are not already filled in.

When everything is okay, *Approve the order & send to mailer* for further handling.

At this page you can edit one or multiple or all batches, and all the details regarding the order and the batches.

How to edit batches is covered in detail in a separate instruction material. There we will go through cases such as:

- Double issues numbering
- Magazine B-numbers
- Batches where batch size or measurements are different from the norm.
